## Next Rehearsal: Monday June 8 5:00 PM

### Last Saturday Rehearsal!

Did you realize that two weeks from last night is Opening Night? Only six more rehearsals to go (counting this one)! I hope you're excited. We have a lot of work to do to put the finishing touches on a great show.

Great work at Monday's and Wednesday's rehearsals, and thanks for putting up with me in the absence of Yvonne and Jeena. I hope you remember all that we went over. We got through Melting Pot on Monday. Make sure you have the words to all the songs in your head, and the parts, and the timing.

Today, we'll probably start from the beginning and see how far we can get – the whole thing, I hope!

### Reminders

**Advertisements:** The deadline for advertising in the program is Tuesday, June 9. You can get the forms to me on Monday, or call or stop by the theater office.

**Costumes:** Shirts, khaki / tan shorts, skorts, capris or pants, soft light shoes, ankle socks. Thanks to those that have been asking in advance if what you have is OK.

**Hair:** Out of your eyes, so we can see your face. Ponytails, pigtails, hairbands, barrettes, parted and slicked for the guys.

### A Tip For Today

Remember all these?

**Look up and out at the audience** – Your feet will be there, whether or not you look at them.

**Project your voice!** – Make yourself heard, loud and strong

**Know what your hands are doing** – Don't fidget

**Memorize and practice lines and lyrics** – Pick the best way for you to memorize

**You're always part of the story** – whether or not you say anything.

**Don't forget to sing!** – Don't let the song get lost in the dance.
