Next Rehearsal: Monday June 1, 6:00 PM

Last Rehearsal in May

We've done almost everything. We have now looked at all or part of all the songs which include the whole company. There are a few others which only include the 10 leads or a smaller group; we'll work on those in the upcoming rehearsals.

We will also work on finishing the songs that we've left sort of hanging – like the rest of Circulation. And we will work on the transitions between songs this week.

Interjections came together really well. I can't believe how good Conjunction Junction and Interplant Janet look. And I think you impressed Cathi Rhodes when she stopped by for a visit on Thursday.

Here's our directors putting their heads together over a new cast member (or should he be stage crew?).

Reminder: **Shirts** are \$13, due today. I still need to hear from: Shannon, Rachel B, and Hannah. You have done an excellent job of getting the orders turned in!

Don't forget to return the **ad forms**. The deadline for advertisements is June 9. The Valley Players really appreciate the ads.

Khaki Schmhaki / Purple's Back!

It has already been sufficiently demonstrated that I don't know what khaki is. A quick google images search proved that. But I did find out that there are many shades of khaki. The dictionary calls it a "yellowish brown color."

At any rate, that's what your pants should be. Khaki. Or tan (but not too light). And you can wear pants, capris, shorts, or skorts. Remember – light soft shoes. Ankle socks would be best. No brightly striped knee socks.

If you're not sure, feel free to bring in anything anytime for your directors to look at and approve.

Good news for the purples! We decided to use purple shirts after all. We may have to make some adjustments, but the purples really will be purple!

I'm still looking for stage crew / stage parents. I have one willing volunteer already. Note – if you're a stage parent, you will have the opportunity to pick one show to sit in the audience and just watch.

Dance like no one is watching!
